@media

A CSS “at-rule” that tests a device’s specific characteristics and environment.

```
h1 {  
    font-size: 24px;  
}  
  
@media (min-width: 600px) {  
    h1 {  
        font-size: 36px;  
    }  
}
```
